First-world problems SOLVED!

## HOTTIES

### A TIGHT SQUEEZE ON THE TROLLEYS

Huge full-body wraparound images of David "eye candy" Gandy in his new range of Marks & Sparks tightly-whites are to be plastered all over buses.

This means passengers will now literally be able to get inside Gandy's pants. Two rings on the bell will make him stop, once to get off, and OAPs will be able to ride him for free.

### ONE TRACK MINDS

The British public have always had an enduring love for the romance of trains - Brief Encounter, Murder on the Orient Express, the top bunk of the Night Riviera to Bodmin.

But now 200 singletons will ride the world's first Love Train out of London King's Cross this Saturday for a singles dating event with a difference.

The difference being they're taken to York rather than heaven and back. I've booked my ticket... and asked for a sleeper.

## NOTTIES

### FLOP PERFORMERS

Turns out that perhaps Amal Alamuddin shouldn't have bothered with George since actors make the worst lovers. When extramarital dating website illicitencounters.com (many of whom are probably Equity members) asked its 1,600 cheating wives which professions are the worst in the sack, thespians were judged to be the biggest flops.

Does this mean stage fright will now be treated at the sexual health clinic?

### KIM'S TRUMP KARD

Kanye's missus Kim Kardashian has been made GQ Woman of the Year for her unstinting work among the rich of Beverly Hills. Actually, even Kim isn't sure quite why she got the award, but said it might be for "trying really hard, and not being lazy".

Oh come on, she has a point. We'd have a cure for cancer by now if those scientists didn't sit around all day taking selfies of their big egg heads.

# A Cloo to bagging yourself a George

### I'M counting down the days to the biggest union event EVER!

No, not that boring vote thingy in Scotland, I mean the impending nuptials between George Clooney and his stunning bride-to-be Amal Alamuddin.

After all, it's not every day a civilian gets to marry into Hollywood aristocracy.

Usually, celebrities stick to their own exclusive gene pool, thereby ensuring a long line of physically blessed but mentally unstable children.

But somehow this Brit lawyer succeeded where all others failed. Not only catching herself an A-list star, but one whod sworn off marriage after splitting from actress Talia Balsam in 1993 because he was such a "lousy husband".

Mind you, if being a crap hubby was a deal-breaker, half the world would remain unmarried.

So how did the world's hottest human rights lawyer get the world's hottest man to put a £400,000 ring on it? Well, after examination of the few facts, I can at last reveal what it takes to bag yourself a Clooney.

**1. Grow big hair** Having a good head of hair is possibly the single most important thing you can do, and ideally it should be the sort that grows down.

HOOKED Amal and her man

activities. If you find yourself with time to go for a walk or read a book, then you probably have hairy toes.

### 4. Have friends in high places

It's said that Amal was introduced to George by a mutual friend. Review your friends list and weed out those who think Chiltern Firehouse is still staffed by Blue Watch.

**5. Go to charity balls** Fundraising events are prime celeb-pulling spots. For the price of a ticket to save the red-bottomed baboon, you get to look kind and caring as well as have somewhere to wear your posh frocks.

### 6. Get a statement handbag

Slim, chic Amal uses her dizzying array of designer totes to great effect - mainly the bigger the bag,

the thinner she looks. However, there are limits to what an accessory can do, so don't go lugging a holdall around.

**7. Decline all invitations** Lawyer Amal is probably the first woman to refuse Clooney's phone number. Considering he's one of the few men in the world who could legitimately say: "You don't fancy me? Are you gay?", this was the game changer.

So, even if you're gagging for it, the way to bag an A-lister is tell him, "No, I'm sorry, I can't come to dinner, I've got to discuss really important things with Kofi Annan." How's he to know you're really having coffee at nans?

If you've time to read, you may have hairy toes

## SOFT PAW-N OF THE WEEK

picture: YOUTUBE

Bringing you the best in online entertainment for viewing during office hours - this week's viral video is: **TITLE:** 50 Shades of Grey (Cat) by Unipurrsal Pictures **STARRING:** Grey kitten with abs as Christian, and tortoiseshell ball of fluff as Anastasia

**BEST LINE:** "Mr Grey will see you meow..." **PLOT:** Cute kitty interviews kinky kitten for the Cat Paper. "Look at my abs," the sexual deviant instructs, before chewing at the buff body cut-out hanging round his neck.

Loved the tortoiseshell in her last hot movie 91/2 Lives, and once again she totally convinces in role of sex kitten who finds herself tied up in knots.

Can't wait for the doggy sequel - 50 Shades Barker...
